Control switchgear in China in Cairo

Overview

Who is Doho electrical equipment & switchgear?

DOHO is one of the top electrical equipment and switchgear companies in the world, specializing in the production of low-voltage and medium-voltage switchgear as well as key components such as circuit breakers, relays, contactors, and protectors.

Why is China's switchgear industry important?

The Chinese government is increasingly prioritizing green technologies, pushing companies to adopt sustainable practices. Furthermore, the global market relevance of China's switchgear industry is significant, as it is one of the largest producers and consumers of electrical equipment.

What is switchgear & how does it work?

Switchgear protects electrical equipment and circuits from damage caused by overcurrent, voltage spikes and other faults in the system. Our goal at DOHO is to be complete solutions provider for all your switchgear product needs.

Who is Xiamen Huadian switchgear?

Xiamen Huadian Switchgear specializes in medium and high voltage switchgears and offers a variety of products such as air insulated switchgear, vacuum circuit breakers, ring main units, and gas insulated switchgear, all designed for power transmission and distribution.
