110kw high quality inverter for sale in Porto Portugal

Overview

What are the functions of 110kW 3 phase inverter?

The 110kw 3 phase inverter with LED digital display, display setting frequency, output voltage, and output current can be shown in real time. The input frequency of the variable frequency inverter reaches 50Hz or 60Hz. Protection functions include overvoltage protection, under-voltage protection, overheating protection, overload protection, etc.

How does a 110 kW frequency drive inverter work?

Come with an IP20 protection rating and forced air cooling, the 110 kW frequency drive inverter works at (-10°C, 40°C). The multiple-function keyboard of 150 hp variable frequency inverters controls the operation of the 3 phase motor inverter, such as start, stop, and acceleration.

What is the electronic screen of the 110kW frequency inverter?

The electronic screen of the 110kw frequency inverter is a key component in the three phase inverter control system, providing users with an intuitive and real-time information display.
