

200kW Cape Town Folding Container Used in Fire Stations

Overview

What sizes of shipping containers are available in South Africa?

We offer a wide selection of shipping and storage containers for sale and rental across South Africa, including 8ft, 10ft, 20ft, and 40ft containers. If you require a customized container office or a container lock box, we can provide those as well.

Where can I buy a container in South Africa?

With offices across South Africa, East Africa, and the Middle East, Almar serves a diverse range of industries, including transport, logistics, remote site accommodation, cold storage, bulk liquid storage, retail, and general storage. Buy or rent high-quality containers in Durban, Johannesburg & Cape Town.

Why do you need a container company in South Africa?

Manufactured to ISO standards, our containers are a valuable asset to your business, providing solutions for dry freight, on-site storage, refrigeration, and bulk liquid storage. Fast and reliable mobile storage solutions throughout South Africa, with offices and container depots in all major centres.

What is a FFS container?

FFS has engineered a series of container solutions suitable for both marine and onshore applications, emphasizing flexibility, lightweight design, and compactness for ease of deployment. These self-contained units, housed in a 10-foot ISO standard container, offer superior firefighting capabilities.
