

# **ASEAN Energy Storage Charging Station**

## Overview

---

What does EV stand for in ASEAN?

For more details, visit the original article [here](#). ASEAN member states are working towards a standardized electric vehicle (EV) policy to accelerate the region's transition to clean energy and strengthen sustainability initiatives.

How can EV policy help ASEAN achieve sustainability goals?

Tengku Zafrul emphasized that the initiative aims to reduce range anxiety for EV users while fostering a robust and resilient regional supply chain for the automotive sector. "A common EV policy will enable ASEAN nations to collaborate more effectively in achieving sustainability goals," he added. For more details, visit the original article [here](#).

Who inaugurated the 58th ASEAN Day celebration activities?

As part of the 58th ASEAN Day celebration activities, Secretary-General of ASEAN, Dr. Kao Kim Hourn, together with the Ambassador of the Republic of Korea to ASEAN, H.E. Lee Jang-keun, officiated the launch of the ASEAN Headquarters/ASEAN Secretariat's electric vehicles (EVs) and charging stations.
