

Abu Dhabi energy storage cabinet battery moved

Overview

Is the Middle East ready for battery storage?

The Middle East region has been relatively slow in its adoption of battery storage compared to more mature markets like China and the US. However, it is predicted to rapidly catch up based on policy announcements such as Saudi Arabia's Vision 2030 strategy.

Where is the Masdar battery project located?

The Masdar battery project will be based in Abu Dhabi at an undisclosed location.

Is a Bess battery coming to Saudi Arabia?

Saudi Arabia is running its first 8GWh public procurement for BESS resources. Additionally, Chinese BESS-specialised battery maker Hithium recently announced plans to build a 5GWh production plant in Saudi Arabia in partnership with Saudi engineering solutions company MANAT.
