## Overview

---

Where can I buy or rent a container in Angola?

271 Containers offers our customers in Angola a wide range of options to buy, rent, or lease/purchase our fleet of container products. If you would like to know more about any of our Angola based offshore containers, please get in touch using the enquiry panel on this page and your enquiry will be sent to the relevant member of our team.

How are our offshore container products designed & manufactured?

Our offshore container products for the Angola market are designed and manufactured in accordance with current DNV 2.7-1 standards. The high quality and innovative products are designed by our team of in-house engineers who are constantly adding advanced features to improve health, safety and efficiency.

What are container World Offshore standard shipping containers used for?

Container World Offshore standard shipping containers are used to carry international and domestic general purpose cargo. Offshore DNV reefers offer the perfect solution for the transportation of perishable goods. Container World Offshore offers a wide range of cargo baskets with certified slings and shackles.

Who is container World Offshore?

Since 1983, Container World Offshore have provided specialized container conversions for the African Onshore market. We have recently began offering offshore containers that are all certified to DNV 2.7-1 and EN 12079. Our 32 years of experience mean that we have the dedication and expertise to handle any on and off shore container requests.
