

Australian Folding Container Network Supplier

Overview

What is Australian folding container (AFC)?

The Australian Folding Container (AFC) has been well received in the Automotive and general industries due to its versatility and user-friendly features. It is used in the light industrial manufacturing sector for storing and transporting an array of components such as plastic mouldings, electrical and mechanical components.

Where can I buy a shipping container in Australia?

With depots in Brisbane, Melbourne, Adelaide, Sydney, Perth, Darwin, Townsville and Alice Springs, we have Australia covered for shipping container solutions - making it easy to buy or hire a container that suits your needs! We also have depots in Auckland, Christchurch and Dunedin, to service customers across the ditch.

Why should you rent a shipping container in Australia?

It's a popular option for both individuals and businesses across Australia thanks to its convenience and affordability. With Australian Containers extensive nationwide network, you can easily rent a shipping container near you and have it delivered directly to your site.
