

Belgian energy storage solar container lithium battery company

Overview

The batteries, 40 Intensium Max High Energy lithium-ion containers, will be supplied by Saft, the battery subsidiary of TotalEnergies, confirming its position as European leader in industrial-scale stationary storage with this project. Is totalenergies developing a second battery storage project in Belgium?

Download the Press Release (PDF) Antwerp, April 3, 2024 – On the occasion of Belgian Energy Minister Tinne Van der Straeten's visit to TotalEnergies' Antwerp refinery battery storage project, the Company announced the development in Belgium of a second similar project. The new project will be developed on the site of TotalEnergies' depot in Feluy.

What is the D-Stor battery storage project in Belgium?

A digital illustration of the D-STOR battery storage project in Belgium. Image: BSTOR. Project owners BSTOR and Energy Solutions Group have started building separate BESS projects totalling 440MWh of capacity in Belgium, following financial close, both of which will use Tesla Megapacks.

What is the largest energy storage project in Europe?

A first flagship energy storage project in Belgium After commissioning four battery parks in France offering total energy storage capacity of 130 MWh, this project will be the Company's largest battery installation in Europe.

Is Belgium a good place to invest in battery storage?

Belgium is one of the most active and mature grid-scale energy storage markets in Europe, with diversified opportunities for monetising battery storage via flexibility markets and a supportive regulatory regime.

Belgian energy storage solar container lithium battery company

[Top 100 Battery Storage Companies in Belgium \(2025\) , ensun](#)

The company specializes in providing zero-emission backup systems and offers comprehensive project management for integrated solar energy solutions, including the installation of energy ...

[Belgium Gets New Battery Storage Project by TotalEnergies](#)

Nov 4, 2025 · The new Battery Energy Storage System (BESS) project will be developed on the site of the TotalEnergies depot in Feluy. It will have a power rating of 25 MW and a capacity of ...
