Who is circuit breaker buyers?

In fact, Circuit Breaker Buyers is the number one destination for anyone looking to sell circuit breakers in the United States. Moreover, we have been an American-owned business for over 20 years, proudly serving thousands of customers—including small businesses, large corporations, and individual sellers.

Who makes the best circuit breaker?

With a respected image over the years, Schneider Electric is considerably at the top of the best circuit breaker manufacturers list around the world. They advocate for efficiency and sustainability, thus, creating a wide array of products.

Which breaker should I buy?

Square D is the first brand I would recommend, thanks to its sturdy construction, reliability, and ease of working with. Square D is one of the more popular breaker brands available almost everywhere. If Siemens and Square D aren't an option, you can also try Air Circuit Breakers, but only for voltage loads less than 450.
