

Castries installs glass solar sun room

Overview

What is a custom solarium?

A Patio Enclosures custom solarium may be the perfect solution. A solarium is a wonderful way to add extra living space to your home for you, your family, and friends. Often referred to as a greenhouse or glass enclosure, a solarium is a type of sunroom addition built entirely of glass.

What is a custom sunroom?

A custom sunroom offers a way to connect with nature while maintaining the comfort of being indoors. At Four Seasons Sunrooms, we build a variety of sunroom designs to complement your home and lifestyle. Cathedral-roof sunrooms feature soaring ceilings and expansive glass panels that make any space feel open and airy.

Does JSB home solutions build a sunroom?

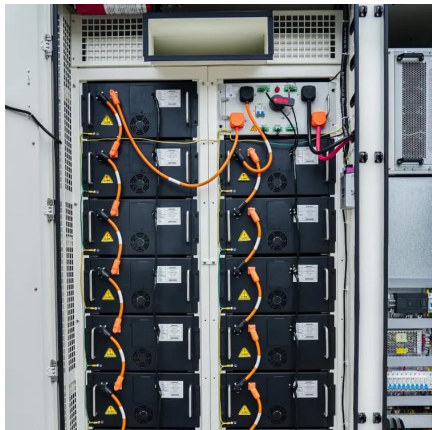

At JSB Home Solutions, we specialize in building high-quality vinyl four-season sunrooms designed for year-round comfort. If you're ready to take the next step, download our Sunroom Addition Planning Workbook to help you map out your project.

What are the different types of solarium frames?

Our solarium frame options include white, sandstone and bronze and provide the highest resistance to scratching, fading, peeling and chipping. Comprised of two panes of glass, insulated glass is a popular choice for extending the seasonal use of your sunroom. It will also improve your heating and cooling performance over single-pane glass.
