

Cheap aurora solar inverter factory company

Overview

Where to buy solar inverter in China?

Delixi Group - China professional solar inverter manufacturers and suppliers. Our factory offers the best customized solar inverter made in China as well as wholesale service. All products are with stable quality and competitive price.

Who makes solar inverters?

Senenergy is a professional solar inverter manufacturer with 20 years of experience in developing and manufacturing a range of solar inverters, including 1-10kW single-phase and 6-100kW three-phase on-grid solar inverters. They also offer energy storage inverters, highlighting their expertise in both residential and commercial solar solutions.

How much does an Aurora inverter cost?

The Aurora, which we have found to be not-so-impressive costs over \$1000 dollars more than a cheap Chinese inverter, which works the same. We have seen so many failures from these Aurora Inverters! - Loud, humming, LCD stops displaying, failures.

How does the Aurora inverter work?

The AURORA inverter operates automatically under normal conditions and requires no particular supervision. When solar radiation is insufficient to generate power for the grid (for instance, at night), the inverter disconnects automatically and goes into stand-by mode.
