

# China solar power to battery in Brasilia

## Overview

---

How much will Brazil's new power plant cost in 2029?

"With an investment of 20 billion reais (\$3.4 billion), the project will supply 5 million kilowatts of power to regions including the capital Brasilia and is scheduled to be put into operation in 2029," said Wang Xiaogang, chief technical officer at State Grid Brazil Holding.

Does China invest in Brazil?

[Photo/Xinhua] Chinese investment in Brazil has grown significantly in recent years as bilateral relations have deepened. China's presence is especially felt in Brazil's energy and infrastructure sectors. A recent analysis by Brazilian digital media outlet Poder360 estimated such investment from Chinese enterprises alone has exceeded \$51 billion.

Who is the Chinese ambassador to Brazil?

Witnessed by Chinese Ambassador to Brazil Zhu Qingqiao, Brazil's Minister of Mines and Energy Alexandre Silveira and Sandoval Feitosa, head of the Brazilian Electricity Regulatory Agency (ANEEL), the contract was inked between the project company under China's State Grid Brazil Holding Company and the ANEEL.

Who won Brazil's largest auction of infrastructure power transmission project?

Being the largest auction of infrastructure power transmission project ever held in Brazil, the project was won by China's State Grid last December, following the Chinese company's previous two bids for the Belo Monte UHVDC transmission project in Brazil.
