

# **Danish assembled container wholesale**

## Overview

---

Where do we produce our customised container solutions?

At our in-house production facility, located at our headquarters in Nørresundby close to Aalborg, we produce our customised container solutions in close cooperation with our customers. Furthermore, we have a variety of agencies for container locks and accessories, such as alarms, lighting, and hinge securing.

What is a custom-built container?

Custom-built containers are an integral part of DC-Supply A/S. Throughout the years, we have delivered mobile container solutions for a variety of purposes. The solutions are always specialised and customised to fit the customer's needs. The selling and renting of containers is a large aspect of the day-to-day at DC-Supply A/S.

What are container modules?

Container modules are also known as prefabricated containers, prefabs and pavilions. At DC-Supply A/S, we offer both standard container modules and customised solutions. Our large product range includes both custom-built containers, fitted as well as empty containers for sale and rent.
