## Overview

---

Who is Dhaka solar?

Dhaka Solar LTD. Dhaka Solar Limited – powering a sustainable future for Bangladesh. We provide complete solar energy solutions for homes, offices, and industries. With advanced technology and expert EPC services, we help reduce electricity costs and carbon footprint.

Which is the largest solar plant in Bangladesh?

Malaysian renewable energy developer Ditreric Solar Group has energized what it claims to be the largest solar plant in Bangladesh: the 73.1 MW Mymensingh project. Located in the Mymensingh district, 100 km north of Dhaka, the solar plant secured last year a 20-year power purchase agreement (PPA) with the Bangladesh Power Development Board.

Where is Bangladesh's solar power plant located?

Located in the Mymensingh district, 100 km north of Dhaka, the solar plant secured last year a 20-year power purchase agreement (PPA) with the Bangladesh Power Development Board. It was built with an investment of around \$90 million and will supply power at an unspecified price to the national utility, Power Grid Company of Bangladesh.

Why should you choose Dhaka solar?

With advanced technology and expert EPC services, we help reduce electricity costs and carbon footprint. Your reliable partner for smart and affordable solar energy — Dhaka Solar Ltd. offers customized design, seamless installation, and long-term maintenance to match your unique energy goals. Let's go green together — Let's back to green!
