Dubai Civilian solar System

Overview

What is Dubai's largest concentrated solar park?

On December 7, 2023, Sheikh Mohammed bin Rashid, the ruler of Dubai officially inaugurated the world's largest concentrated solar park. This momentous occasion marked the completion of the fourth phase of the Mohammed bin Rashid Al Maktoum Solar Park, representing a significant stride towards Dubai's clean energy aspirations.

When will a 1 GW solar park be built in Dubai?

The emirate of Dubai announced in January 2012 that a 1 GW Mohammed bin Rashid Al Maktoum Solar Park would be built in phases and completed by 2030 in Seih Al Dahal, around 50 km south of Dubai city, to meet its renewable energy supply target.

Will solar panels be installed on every roof in Dubai by 2030?

HH Sheikh Mohammed bin Rashid Al Maktoum, Vice President and Prime Minister of the UAE and Ruler of Dubai has called for solar panels to be installed on every roof in Dubai by 2030, as part of the Emirates vision to produce 75% of its energy from clean sources by 2050.

Why is Dubai completing the 4th phase of the Solar Park?

This momentous occasion marked the completion of the fourth phase of the Mohammed bin Rashid Al Maktoum Solar Park, representing a significant stride towards Dubai's clean energy aspirations. With a staggering investment of Dh15.78 billion (USD 4.3 billion), the fourth phase covers an expansive area of 44 square kilometers.
