

Eastern European solar Energy Storage Chamber of Commerce

Overview

When is the Energy Storage Summit Central Eastern Europe 2025?

EASE is glad to support the third edition of the Energy Storage Summit Central Eastern Europe, taking place on 23-24 September 2025 in Warsaw, Poland.

What is the large scale solar Central Eastern Europe Summit?

The Large Scale Solar Central Eastern Europe Summit provides a vital platform for fostering critical collaborations between the leading developers, IPPs, utilities, investors, and technology providers driving solar and storage deployment and innovation across the entire region. If playback doesn't begin shortly, try restarting your device.

What is energy storage Europe?

EASE will now be known as the Energy Storage Europe association, with a new identity designed to give the sector a stronger visibility. This transformation marks a significant milestone as the association approaches its 15th anniversary and reflects the central role that energy storage now plays in Europe's energy future.

What is energy storage Europe Association?

Energy Storage Europe Association is actively shaping the legal and R&D funding framework for energy storage at EU level. Members gain direct influence in the European decision-making process. Members benefit from the Energy Storage Europe Association's expertise and technical know-how, and they can participate in EU-funded research projects.
