

# Energy storage cabinet battery manufacturers and origins

## Overview

---

Who makes energy storage batteries?

Below are ten of the most influential energy storage battery manufacturers worldwide, covering a wide range of applications from residential to commercial and grid-level storage. The list is in no particular order: 1. CATL (Contemporary Amperex Technology Co., Limited) – China One of the largest manufacturers of lithium-ion batteries globally.

Who is CATL battery energy storage?

CATL (Contemporary Amperex Technology Co., Limited) is a global leader in the Battery Energy Storage market, known for its innovative energy storage technologies and extensive product lineup. Founded in 2011 and headquartered in Ningde, China, CATL has quickly become the world's top supplier of battery energy storage systems.

Who is shaping the future of battery energy storage?

Leading companies, from BYD, MANLY Battery to Johnson Controls, are playing pivotal roles in shaping the future of battery energy storage through strategic expansions and product innovations.

Where does battery energy storage come from?

The Asia-Pacific region, particularly China, remains the largest and fastest-growing market for Battery Energy Storage.
