

Finland solar container battery Project

Overview

Fotowatio Renewable Ventures (FRV), part of Jameel Energy, has announced a partnership with AMPTank Energy to deliver a 100MW/200MWh battery storage project named SIMO in Finland. Where is Finland's new battery storage facility located?

In northern Finland, less than 100 kilometres south of the Arctic Circle, a new battery storage facility is now supporting the stability of the regional power grid. The plant, equipped with 26 PowerTitan 1.0 containers from Sungrow, delivers 30 MW of output and 60 MWh of storage capacity.

Can battery storage support Finland's power grid?

One of the world's northernmost battery storage systems is now supporting Finland's power grid as part of a joint venture between Sungrow and FRV AmpTank. In northern Finland, less than 100 kilometres south of the Arctic Circle, a new battery storage facility is now supporting the stability of the regional power grid.

Where in the world is a Battery Park in Finland?

Pack your gloves – a battery park in northern Finland. One of the world's northernmost battery storage systems is now supporting Finland's power grid as part of a joint venture between Sungrow and FRV AmpTank.

How can a greener energy supply be achieved in Finland?

The project in Simo is a prime example of how the current transition to a greener energy supply can be achieved in Finland: through the intelligent combination of renewable energy sources with powerful storage solutions. The result is a clean, stable and future-proof power grid. (hcn)

Finland solar container battery Project

[Sungrow Installs 60MWh Battery Storage ...](#)

May 17, 2025 · The project, developed as part of the FRV AmpTank joint venture, features 26 of Sungrow's PowerTitan liquid-cooled battery ...

[Reliability in Extreme Latitude: Sungrow Deploys 60MWh Battery ...](#)

May 16, 2025 · This Battery Energy Storage System (BESS) project is located less than 100 km south of the Arctic Circle and is made up of 26 Sungrow PowerTitan battery containers. With a ...

[Sungrow and FRV launch Arctic-edge battery project in Finland](#)

Jun 2, 2025 · In northern Finland, less than 100 kilometres south of the Arctic Circle, a new battery storage facility is now supporting the stability of the regional power grid. The plant, ...
