

Georgia 12v400ah solar container battery

Overview

What is eg4-ll 12V 400Ah (v2) server rack battery?

Discover the EG4-LL 12V 400Ah (V2) Server Rack Battery, a remarkable advancement in energy storage technology. This Lifetime Lithium (LiFePO4) battery boasts an impressive capacity of 5.12kWh, delivering unmatched performance and reliability for a variety of applications.

How many batteries does the eg4-ll battery have?

The EG4-LL Battery is designed for parallel connection with up to 16 batteries, providing scalability for projects of various sizes. With this capability, you can unleash up to 81.9kWh of power while maintaining efficient BMS communications. Safety is certainly a top priority, and the EG4-LL 12V 400Ah Battery delivers.

Which EG4 inverters are compatible with this battery?

This battery will communicate not only with EG4 inverters, but also Schneider, Sol-Ark, Victron, and Growatt. This feature enables seamless integration into existing energy systems, providing versatility and flexibility to your setup.
