

# **Georgia BESS outdoor base station power supply manufacturer**

## Overview

---

Does Georgia Power have a Bess project?

Georgia Power is also collaborating with the Georgia PSC to procure an additional 1GW of BESS capacity through competitive bidding and is developing a 13MW demonstration project at Fort Stewart army installation near Savannah, Georgia.

What does Bess stand for?

US-based electric utility Georgia Power has commenced construction of new battery energy storage systems (BESS) across the state of Georgia, totalling 765MW capacity. The systems, sanctioned by the Georgia Public Service Commission through the Integrated Resource Plan (IRP), are set to provide rapidly dispatchable power to customers.

Who sanctioned battery energy storage systems in Georgia?
