

German uninterruptible power supply supply

Overview

Where can I buy UPS - uninterruptible power supplies?

Find a huge range of UPS - Uninterruptible Power Supplies at Farnell® Germany. We stock a large selection of UPS - Uninterruptible Power Supplies, including new and most popular products from the world's top manufacturers including: Apc, Schneider Electric, Siemens, Phoenix Contact & Ea Elektro-automatik BR1500GI.

What is a static uninterruptible power supply (UPS)?

Our static uninterruptible power supply (UPS) systems comply with the VFI-SS-11 classification according to IEC 62040-3. With their robust industrial design, they support a secure consumer supply in continuous operation.

What should you know about the power supply industry in Germany?

The Power Supply industry in Germany is characterized by several key considerations that potential entrants should be aware of. Regulatory frameworks are stringent, with the European Union's directives on energy efficiency and sustainability greatly influencing operations.

Who is German power?

With the experience of a specialist in power supply systems for decades, we develop and produce smart power supplies in small and large quantities, from standard products to individual special designs. Welcome to German Power! Are you looking for smart solutions for your power supply?

No problem.
