

Horizontal iron container wholesale

Overview

Why should you buy shipping containers wholesale from pelicancontainers?

Buying in large quantities also eases shipping logistics and provides uniformity in size, design, and features. Plus, delivering the containers all at once relieves you of multiple shipments. Why Buy Shipping Containers Wholesale From Pelicancontainers?

.

Where isalconet containers located?

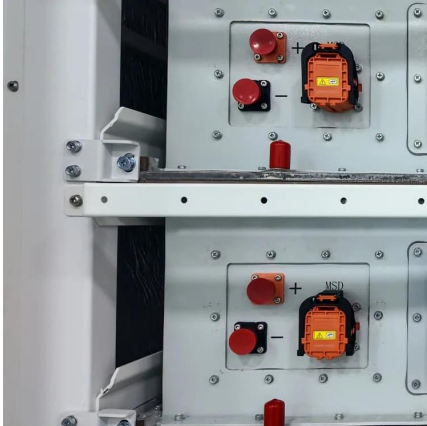

Alconet Containers is located near the port of Rotterdam, the largest port in Europe. Beside shipping containers we buy and sell also special types of containers. From reefer containers to flat rack containers, open top containers and tank containers.

What are the most popular shipping containers in China?

The most popular shipping containers are the 20FT, 40FT and 40FT High Cube (HC) variants. The 10FT container is unsuitable for transport and therefore is less common. For shipping containers in China we would advise to invest in 40FT or 40FT HC containers because of the great capacities. Read more about the weight and sizes on this page.
