# Huawei Indonesia Surabaya Flow Battery

## Overview

---

What is battery & energy storage Indonesia 2026?

Battery & Energy Storage Indonesia 2026 is intended to be the ideal platform to get up close with the latest advancements in battery and energy storage solutions, gain valuable knowledge from leading experts, expand business network, and find the latest information in the relevant industries.

Will Huayou replace LG Energy Solution in Indonesia?

By Tri Luluk Lutfiana Chinese firm Huayou will replace South Korea's LG Energy Solution in a \$9.8 billion integrated electric vehicle (EV) battery project in Indonesia, the country's energy minister said on Wednesday, ensuring the project will proceed as planned despite the shift in partners.

Will China replace LG in Indonesia's EV battery project?

After 5 years of negotiations, Indonesia drops LG and taps Huayou Cobalt to power its EV battery dreams. China's Huayou Cobalt replaced LG Energy Solution in Indonesia's \$7.7 billion electric vehicle (EV) battery project. The shift underscores China's growing influence in Southeast Asia's EV supply chain.

What are Huawei's intelligent lithium battery solutions?

Huawei's intelligent lithium battery solutions provide dynamic peak shifting, transforming traditional backup power systems into efficient energy storage solutions that enhance system flexibility and reliability.
