# Iben Tool Battery

## Overview

---

Why should you choose Iben solutions for battery monitoring & control systems?

Design improved version of your target system with IBEN solutions for Battery Monitoring, Control and Energy Management Systems. Our products are engineered to prioritize functional safety, cybersecurity, and optimize energy storage performance across diverse applications.

What is a power tool battery?

Power tool batteries is one of our product lines. We focus on the batteries that can drive your tools to work more powerful, more efficient and even run longer than OEM batteries with more competitive price compared to. LIPOWER ENERGY is a professional manufacturer which specialized in lithium battery pack.

Why should you buy AK power tool batteries?

Through the R&D system, BAK Power has developed safety, energy density, performance, cost, and recycling methods. Therefore, power tool batteries from BAK can have an ideal long lifespan and peak performance. Key Features of BAK Power Tool Batteries:.

Who makes power tool batteries?

BAK Power, which started in 2001, is another prominent manufacturer of power tool batteries. It has headquarters in Shenzhen, China. The company mainly manufactures and supplies prismatic, pouch, and cylindrical cells. There are three facilities in Zhengzhou, Shenzhen, and Chengdu and 5 sales centers worldwide.
