Industrial outdoor power box

Overview

What are the different types of outdoor electrical boxes?

Outdoor electrical boxes are available in stainless steel, carbon steel, aluminum, and polycarbonate, making them ideal for a wide range of industries such as automation, alternative energy, telecommunications, and more. Read our guide on common types of electrical enclosures, or find more information below.

Are electrical enclosure boxes UL & cUL listed?

Our electrical enclosure boxes are UL & cUL Listed and designed to protect sensitive equipment in harsh environments, meeting and exceeding many NEMA and IP ratings. Available in a variety of sizes, styles, and materials, it's easy to find the perfect solution for any outdoor electrical application.

Are outdoor electrical enclosures weatherproof?

Outdoor electrical enclosures from Polycase are weatherproof, making them an ideal solution for industrial outdoor applications. Our electrical enclosure boxes are UL & cUL Listed and designed to protect sensitive equipment in harsh environments, meeting and exceeding many NEMA and IP ratings.
