

Manila Distributed Energy Storage Cabinet

Overview

What is Masinloc battery energy storage?

The Masinloc Battery Energy Storage System (BESS) is the first battery energy storage facility in the Philippines and one of the first in Southeast Asia. We started our venture into battery energy storage technology in 2018 when we acquired this 10 MW system from AES Philippines.

How is Bess transforming the Philippine energy industry?

With the commercial operations of approximately 1,000 MW of BESS facilities across 32 locations in the Philippines, we are now ushering in a new era for the Philippine energy industry through significant improvements in grid reliability and the integration of more renewable power sources to the country's diverse energy mix.

How many Bess facilities are there in the Philippines?

SMC Global Power is operating 32 BESS facilities across the Philippines, spread across the regions of Luzon, Visayas, and Mindanao.

Manila Distributed Energy Storage Cabinet

[Energy Storage System in the Philippine Electric Power ...](#)
