

Middle East Energy Storage Supercapacitor Company

Overview

What is SuperCap energy storage?

Dubai-based supercap energy storage manufacturer Enercap Holdings and Abu Dhabi-based Apex Investment, a leading diversified investment holding company, have formed a joint venture to build 16GWh per year manufacturing capacity of supercap energy storage, a cutting-edge technology with features that surpass the commonly used lithium-ion technology.

Does enericap have a manufacturing facility in Dubai?

Additionally, Enercap Energy Holding Limited has agreed to acquire an existing manufacturing facility in Dubai Industrial City (DIC), which will be upgraded to 6GWh/year capacity. Enercap has a current global demand of over 30GWH of large-scale battery energy storage systems (BESS).

Who is Saeed Mohammed Al-Tayer?

Saeed Mohammed Al-Tayer, vice chairman of the Dubai Supreme Council of Energy, will inaugurate the show and lead the high-level plenary of the Middle East Energy Leadership Summit. "We've built this edition of Middle East Energy to reflect the dynamism, ambition, and transformative potential of the region's energy ecosystem," stated Mark Ring.

Why is Middle East energy launching a 49th consecutive year in Dubai?

"The continued organization of Middle East Energy for a 49th consecutive year in Dubai reflects international confidence in the emirate as a strategic centre for conferences and exhibitions, and reinforces its role in leading the global dialogue on energy security and sustainability," stated Sheikh Ahmed.
