

# **Myanmar offshore wind power storage project**

## Overview

---

What is Myanmar's first wind power project?

A deal for Myanmar's first wind power project with the participation of a Chinese energy infrastructure company was signed on Wednesday, a major step in bilateral new-energy cooperation, the Chinese Embassy in Myanmar said in a statement released on Thursday.

How Chinese companies are supporting Myanmar's energy supply?

Active role by Chinese companies has already taken place in supporting the country with the much-needed energy supply. Myanmar's first 100-megabyte photovoltaic power generation project, the Jingda Sub-project, funded and developed by Power Construction Corp of China, was connected to the grid on January 18.

Who manages Myanmar's energy sector?

Myanmar's energy sector is managed by the Ministry of Electric Power (MOEP) and the Ministry of Energy (MOE), which together account for over one-third of public sector revenue. Before May 2022, the two ministries operated under one single Ministry of Electricity and Energy (MOEE).

What is Myanmar's photovoltaic project?

The photovoltaic project group in central Myanmar has five sub-projects, with a grid-connected capacity of 160 megawatts and annual power generation of 342 million kilowatt-hours.

## Myanmar offshore wind power storage project

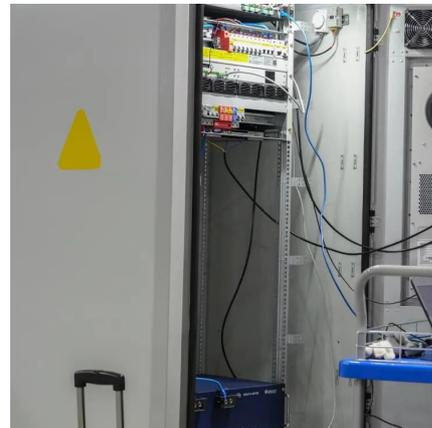

### [Energy storage systems for services provision in offshore wind ...](#)

Aug 1, 2024 · Taking into account the rapid progress of the energy storage sector, this review assesses the technical feasibility of a variety of storage technologies for the provision of ...

### [Myanmar Power Sector Review Jun 2023](#)

Aug 30, 2023 · Preface and Acknowledgments  
This report assesses underlying causes of the ongoing power sector crisis in Myanmar. It illustrates the implications on the near-future power ...

### **Observing Offshore Wind Farm: Myanmar delegation observed offshore Wind**

Oct 27, 2025 · The project not only benefits in exploring offshore wind energy resources, choosing suitable sites, designing, drawing projects, operation and maintenance procedures of the wind ...

### [Myanmar Offshore Energy Storage Market \(2025-2031\)](#)

6Wresearch actively monitors the Myanmar Offshore Energy Storage Market and publishes its comprehensive annual report, highlighting emerging trends, growth drivers, revenue

analysis, ...

[Myanmar's first wind power project cooperation signed, new ...](#)

Mar 2, 2023 · A deal for Myanmar's first wind power project with the participation of a Chinese energy infrastructure company was signed on Wednesday, a major step in bilateral new ...
