North Asia Super Capacitor Manufacturer

Overview

Who makes supercapacitor in China?

Kamcap is one of the leading supercapacitor manufacturers in China. We supply high-quality ultracapacitors, including coin type supercapacitor, winding type supercapacitor, combined type supercapacitor, module supercaps, high temperature supercap and hybrid capacitor.

Who is the best SuperCap capacitor manufacturer in China?

It is one of the most professional supercapacitor manufacturers in China. Jinzhou Kaimei Power Co., Ltd. is a high-tech enterprise mainly engaged in the development, production and sales of supercap capacitors. Kamcap has more than 800 employees and our factory area is of 19,200 square meters.

Who is kamcap supercapacitor?

Kamcap supercapacitor is one of the most professional ultracapacitor companies with the largest production scale, the most complete product specifications and the most competitiveness in China. We are not only aimed at producing the best ultracapacitor, but also making contribution to the development of global energy and creating value for customers.

Why should you choose kamcap supercapacitors?

As one of the leading ultracapacitor manufacturers, Kamcap provides high-quality supercapacitors. Because of the advantages of high power density, fast charging speed, and high reliability, along with the rapid development of science and technology, the application of supercapacitors in various fields will become more and more extensive.
