

Ottawa solar container communication station EMS Construction Company

Overview

Who should choose Ottawa Valley Solar?

I'd recommend them to anyone considering solar. Ottawa Valley Solar successfully designs, installs, and services solar power systems throughout Renfrew County and the greater Ottawa Valley including Ottawa, Carleton Place, Almonte, Arnprior, Renfrew, Pembroke, Barry's Bay, Denbigh, and Calabogie.

Where is EMS SATCOM located?

Its products and services enable users with real-time mobile broadband voice, data and videoconferencing capabilities virtually anywhere in the world. Located in Ottawa, Canada, EMS SATCOM employs over 230 people and has sales offices in Washington, D.C. and Monterrey, Mexico as well as a development lab in Tewkesbury, U.K.

Why should you choose a solar company in Ottawa?

Most solar companies are about the sales. We're about lasting systems — and bringing the future of Ottawa solar power to your home and business. From Cumberland to Carleton Place, we're not a call center with a crew. Our local roots run as deep as our experience — and we couldn't be prouder to have installed our neighbours' solar panels since 2009.
