# Paris 30w solar street light price

## Overview

---

What is a 30 watt solar street light?

30W Solar Street Light: Efficient energy-saving street light with 30-watt output for ample illumination. Dusk to Dawn Functionality: Automatically turns on at dusk and off at dawn for hassle-free operation. High Lumen Output: Provides bright, high-lumen lighting for enhanced security and visibility.

Is a solar light worth the price?

Customers find the solar light to be of good quality and worth its price, with positive feedback about its battery life, particularly noting it provides 6-7 hours of light after a full day of sunlight charging.

Are solar flood lights a good option for your street lights?

Ideal option for your street lights. Built-in LED chip, enable solar flood lights to emit high brightness with low heat even after long time usage. Solar lights outdoor come with intelligent sensor automatically charging in sunlight and illuminating in dusk without any extra control.
