

Portable outdoor power bank 60A

Overview

Which power bank is suitable for outdoor use?

For outdoor use, cycling, camping, travel and active life, the waterproof Aqua Trek + is ideal. For a Tablet and phone, the essential 10Ah or 42Ah Super Power Bank has 4 times more capacity. For daily back up the Power Stick is ideal, fits in any pocket, holds a charge and auto starts.

How long does a power bank last?

The power bank boasts a lifespan that is 10× longer than other models. It retains an impressive 85% of its charge even after one year without recharging, ensuring it is always ready whenever you need it. A smart display shows important information such as battery level, input and output power, remaining charge time, charging modes, and more.

How much power does a power bank charge?

The power bank has a 0.1W resolution. For devices like headphones or smartwatches with high battery levels, the charging power may fall below 0.1W. Rest assured, the power bank continues to charge the device even if the displayed power shows 0W.

What is an anker 548 power bank?

Model Number: A1294 With a massive 60,000mAh capacity or 192Wh, Anker 548 Power Bank enables you to charge your devices multiple times, giving you total peace of mind during blackouts or when you're off-grid. The retractable emergency light provides auto lighting to help you locate the charger quickly.
