

Portugal Small Solar Air Conditioner

Overview

Who installs air conditioning & solar heating systems in the Algarve?

Air Conditioning We are the top installer of air conditioning and solar heating systems in the Algarve and carry stocks of leading manufacturers including Mitsubishi, Daikin, Samsung, Panasonic, LG and SANYO. **Solar Heating** Installation of solar heating and solar energy panels for swimming pools and villas in the Algarve.

Does Portugal have air conditioning?

While Portugal enjoys over 300 days of sunshine a year, summers—especially in the Algarve, Lisbon, and Alentejo —can be intensely hot, and winters surprisingly damp and chilly indoors. That’s why choosing the right air conditioning system in Portugal is a crucial part of planning your home or renovation.

How does Algarve air & solar size your air conditioning system?

At Algarve Air & Solar, we size your air conditioning system based on the square metres of your room, insulation quality, ceiling height, and sun exposure—especially important in Algarve’s hot summers.

Does Algarve air & solar service your AC?

At Algarve Air & Solar, we offer servicing packages that ensure your AC remains energy-efficient and prolongs its lifespan—especially important in Portugal’s dusty summer conditions. With any installations that are carried out by Algarve Air & Solar - you are required to service your system once a year.
