# Spanish solar Energy Storage solar container lithium battery Exhibition

## Overview

---

What is solar & storage Live Barcelona?

With a strong focus on collaboration, Solar & Storage Live Barcelona promises to be a landmark event for Spain's renewable energy industry, fostering connections among suppliers, stakeholders, and innovators across the value chain.

What is solar & storage live Espana?

In summary, the "Solar & Storage Live Espana" provides a first-class international platform for knowledge exchange, networking, and business transactions in the field of solar energy and storage, significantly contributing to the promotion of sustainable energy solutions. The Solar & Storage Live Espana will take place on 2 days from Wednesday, 27.

What's it like to attend Solar & Storage in Spain?

It was a fantastic event, I'm much more informed about the state of solar and storage in Spain than I was before attending. It is a very good place to sense the state of the art of solar technologies and business. A very interesting event focused on solar and storage, many interesting speakers and a very good location.

When is solar & storage Live Barcelona 2024?

Over 3000 solar industry professionals from across the energy value chain to gather at Fira Montjuïc, Barcelona, from November 13-14, 2024. Solar & Storage Live Barcelona 2024 is set to debut at Fira Montjuïc on Wednesday, 13 November and Thursday, 14 November 2024, drawing over 3,000 energy professionals from around the globe.
