

LLSE CONTAINERS

# **Uganda 5g solar container communication station inverter construction first section project**

## Overview

---

Where will a 20 MW solar plant be installed in Uganda?

The two 20 MW ground-mounted solar plants will be installed in two eastern Uganda districts: Iganga and Tororo. In its latest Expression of Interest (EOI) for Engineering, Procurement and Construction (EPC), TotalEnergies Uganda called out for contractors to join the solar pv installation project.

Can a contractor join a solar PV installation project in Uganda?

In its latest Expression of Interest (EOI) for Engineering, Procurement and Construction (EPC), TotalEnergies Uganda called out for contractors to join the solar pv installation project. Pre-qualification bids are to be submitted to the project owner a week before the month of March (Feb 21 st).

Who will handle a 40MW solar PV project in Uganda?

They will handle civil works, mechanical and electrical works, logistics, and the general infrastructure and utilities of the solar project. The testing and commission of the 40MW solar pv project will also be handled by TotalEnergies Uganda' selected contractor.

Does totalenergies plan a turnkey 40MW solar PV project in Uganda?

TotalEnergies plans for turnkey 40MW solar pv project in Uganda. The contractor will oversee the EPC and O&M aspects of the project TotalEnergies Uganda has laid out bidding plans for its turnkey 40MW solar pv project in Uganda. The two 20 MW ground-mounted solar plants will be installed in two eastern Uganda districts: Iganga and Tororo.
