

# **Uganda villa solar tile manufacturer**

## Overview

---

Where are modern tiles made in Uganda?

The Njeru town-based factory (in Buikwe District in central Uganda) currently produces 49,000 square metres of tiles per day, with the capacity planned to triple to 150,000 square metres per day at full capacity. According to Ashish Monpara, Modern Group's Chairperson, Modern Tiles currently employs 500 Ugandans directly.
